

Sean Kingston, Rum And Raybans (feat. Cher Lloyd)

Kingston!
Let's go!

Round of applause because that body needs a hand
(clap it up for that body, clap it up for that body)
Shots at the bar no chases baby I'm a man
(take a shot applecardi, take a shot applecardi)
Raybans on cause I'm way to drunk so bailale
Eight fingers on, got drink in my cup so bailale
Show up, and I don't give f*ck so bailale
Throw up and I don't give a fuck
Throw up and I don't give a fuck

I pull up in a mad-flat truck, like a rock star
Feeling like a million bucks
Shades on, drink in my hand
The only thing I need is Rum And Raybans
Rum And Raybans
Rum And Raybans

Round of applause because that body needs a hand
(clap it up for that body, clap it up for that body)
No really baby, like to touch it if I can
Why don't we leave the party, and we can get real naughty)

Raybans on cause I'm way to drunk so bailale
Eight fingers on, got drink in my cup so bailale
Show up, and I don't give f*ck so bailale
Throw up and I don't give a fuck
Throw up and I don't give a fuck

I pull up in a mad-flat truck, like a rock star
Feeling like a million bucks
Shades on, drink in my hand
The only thing I need is Rum And Raybans
Rum And Raybans
Rum And Raybans
Rum And Raybans
Rum And Raybans
Rum And Raybans
Rum And Raybans

[Beat break]

Cher Lloyd:
Step into mi casa mi casa
Take a peek, boy I know you want to
We can dance all night long until the morn
With nothing but our shades on
Nothing but our shades on
Nothing but our shades on

Rum And Raybans
