

# Sean Paul, No Lie (ft. Dua Lipa)

[Dua Lipa]

Feel your eyes, they're all over me  
Don't be shy, take control of me  
Get the vibe it's gonna be lit tonight

[Sean Paul]

Baby girl yuh a carry ten ton a fatness gimme some a that  
Pink sweetie badness, look how she hot  
She a black goddess, but turn up, don't stop  
It's a good piece of metals under the cap  
A piece of gear, mami love all your chat  
Watching every step of the pep of the what you got  
Stayin' in my brain, mama when you're out of touch  
And my aim is to give you this love

Hypnotic the way you move  
Let me acknowledge the way you do  
And I would not lie or play you  
Beam me up like Scottie  
It's so hypnotic, the way you move  
That's why I wanted to get to you  
And I would not lie or play you  
It's so hypnotic

[Dua Lipa & Sean Paul]

No li-i-i-ie  
(Gyal we never miss)  
Feel your eyes, they're all over me  
Don't be shy, take control of me  
Get the vibe it's gonna be lit tonight  
(Gyal we never miss, gyal we never miss)  
No li-i-i-ie  
Hypnotized, pull another one  
It's alright, I know what you want  
Get the vibe it's gonna be lit tonight  
(Gyal we never miss, gyal we never miss)

[Sean Paul]

I'm so lit, so lit, my girl  
So let me see you roll it, roll it, my girl  
I love it when you bend and fold it  
Now let me bone it  
And let me own it, my girl  
Give you pon the style that I have mastered  
Hoist you up, baby girl, that's my word  
Give you that good lovin' that is preferred  
You deserve it, so don't be scared

It's hypnotic the way you move  
Let me acknowledge the way you do

And I would not lie or play you  
Beam me up like Scottie  
It's so hypnotic, the way you move  
That's why I wanted to get to you  
And I would not lie or play you  
It's so hypnotic
