

# Sean Paul, Shout (Street Respect)

[Intro]

Hear you shout  
Dutty them a tell them once again yow!  
Sly them a tell them once again hey yow!  
Sean Paul and we a tell them once again  
Taxi haffi set the new trend  
Yow!

[Verse 1]

Kick up the bass up and make I bun up the place up  
Make i pick up the pace up and make them wine up them waist up  
We them want fi erase up but we style them embrace up  
But them cant stop the music so great up weh we create up  
Me say year onto year me haffi a tell them straight up  
Man a no punk  
Man a no fool  
Definite we sent no bait up  
Unu fi listen to the lyrics pon de riddim weh we state up  
If you love how we sound let me see you hand then wave up

[Chorus]

Me want fi hear you shout shout shout  
From you love the lyrics coming out me mouth mouth mouth  
No doubt we got the street respect  
And you know say that it never counterfeit yet  
Vibes weh you get

[x2]

[Verse 2]

We block it and rock it and make them just cant forgot it  
When we chat it we lock it and now we see them a follow back it  
Then want fi copycat it but we a top a top it  
Them no want fi see we clock it neither fi see we chop it  
Them use it and fuse that a de history of we music  
When we fan them a choose it should never let them abuse it  
Them a try fi confuse it like them want fi lose it  
But all weh them a gwaan we still deh ya boost it  
Just turn up the treble and the bass make it play  
Party non-stop from a night till day  
And no matter weh the hypocrite and critic them a say  
Reggae music deh ya fi stay  
Weh me go so then

[Chorus]

Me want fi hear you shout shout shout  
From you love the lyrics coming out me mouth mouth mouth  
No doubt we got the street respect  
And you know say that it never counterfeit yet  
Vibes weh you get

[X2]

[Repeat all]
