Sebadoh, Drag Down

It's what they call switching lanes In the left hand driving in the right hand driving And it all seems the same I can't get enough and you can't set it up A big omission and a thin disguiseoooohhhhhhh And I was hoping for a nice surprise Down on my knees I was saying it and you wouldn't listen and it all can't go on I was getting higher; I was trying hard Oh, drag me down I need it Oh, drag me down Those suspicions are a waste of timeoooohhhhhhh And I was hoping for a nice surprise Feed our trouble well Learn to feel, I can learn to feel I can hate it Oh, drag me down Those suspicions are a waste of timeoooohhhhhhh And I was hoping for a nice surprise
