

# Secret Illusion, Hope Is Lost

Come dawn, you're all alone  
All that you want is to clear  
your mind from your thoughts  
The days you're longing for do not exist  
The past is gone and hope is lost

Follow my steps tonight  
I will show you the way

Freedom should rise above your heart,  
your body, your weary soul  
Conquer your fears in order to reach  
the golden shore

Man lives enslaved, to love and hope  
To rise and fall but always asking for more  
Your duty's to be strong, walking the line  
between what's known and the unknown

Follow my steps tonight  
I will show you the way

Freedom should rise above your heart,  
your body, your weary soul  
Conquer your fears in order to reach the
