

# Secret Service, When The Night Closes In

Let us take a walk in the citylights

'Cause this night is right and time is tight.  
Come and take my hand  
put your cigarette out

I would like to know all about you.

A few blocks from here is a boulevard  
Where we can find a late night cafe.  
We got everything to win when  
the night closes in.

Let me dry your tears  
I know what you've been through

But baby  
feel no fear  
I've been through it  
too.  
So just take my hand  
take a chance on me

This night belongs to us - you and me.

A few blocks from here is a boulevard . . .

We got everything to win when  
the night closes in.  
When the night closes in - when  
the night closes in.
