

# Seether, Tied My Hands

Can you remember when we used to cry  
But never in distress  
Or can you picture when  
We used to pride ourselves on neatness  
Cause I cant understand what you meant to me  
Made me wild, then you tied my hands  
Can you remember when we used to laugh  
At those mistakes we made  
Or can you picture then  
How we used to drive  
And never reach the end  
But I cant understand what you meant to me  
Made me wild, then you tied my hands  
But since you went away  
Made me find  
I have nothing to say to you  
Since you went away  
Made me find  
I have nothing to say to you  
Cause I cant understand what you meant to me  
Made me wild, finally tied my hands  
Cause I cant understand what u meant to me  
Made me wild, but you tied my hands  
Tied my hands, tied my hands, tied my hands, tied my hands
