Sega Sound Studio, Live And Learn

Can you feel life movin' through your mind Ooo, looks like it came back for more, yeah, yeah, yeah Can you feel time slippin' down your spine Ooo, you try and try to ignore, yeah

But you can hardly swallow Your fears and pain And you can't help but follow It puts you right back where you came

Live and learn
Hanging on to the edge of tomorrow
Live and learn
From the works of yesterday
Live and learn
If you beg or if you borrow
Live and learn
You may never find your way

Woah

Can you feel life tangle you up inside Yeah, and now you're face down on the floor, ohh

But you can't save your sorrow You've been betrayed And you can't help but follow It puts you right back where you came

Live and learn
Hanging on to the edge of tomorrow
Live and learn
From the works of yesterday
Live and learn
If you beg or if you borrow
Live and learn
You may never find your way

Hey! Woah! Woah! OH YEA!

(guitar solo)

Yea yea yea yea yea

There's a face searching far, so far and wide There's a place where you dreamed you'd never find Hold on to what if Hold on to what if

Live and learn
Hanging on to the edge of tomorrow
Live and learn
From the works of yesterday
Live and learn
If you beg or if you borrow
Live and learn
You may never find your way

Live and learn
Hanging on to the edge of tomorrow
Live and learn
From the works of yesterday
Live and learn
If you beg or if you borrow

Live and learn You may never find your way

Live and learn Yeah, yeah, yeah, yeah Live and learn Yeah, yeah, yeah, yeah
