

# Sega Sound Studio, Open Your Heart (Correct)

Thunder, rain, and lightning  
Danger, water rising  
Clamour, sirens wailing  
It's such a bad sign

Shadows of dark creatures  
Steel clouds floating in the air  
People run for shelter  
What's gonna happen to us!?

All the steps we take, all the moves we make, all the pain at stake  
I see the chaos for everyone who are we what can we do  
You and I are same in the way that we have our own styles that we won't change  
Yours is filled with evil and mine's not there is no way I can lose

## CHORUS

Can't hold on much longer - But I will never let go  
I know it's a one way track - Tell me now how long this'll last  
I'm not gonna think this way - Nor will I count on others  
Close my eyes and feel it burn - Now I see what I've gotta do

"Open your heart, it's gonna be alright!"

Ancient city blazing  
Shadows keep attacking  
Little children crying  
Confusion, hopeless anger

I don't know what it can be but you drive me crazy  
All your cunning tricks make me sick, you won't have it your own way

## REPEAT CHORUS

Open your heart...and you will see!

(Guitar Solo)

If it won't stop, there will be no future for us  
Its heart is tied down by all the hate, gotta set him free

I know it's a one way track - Tell me now how long this'll last  
Close my eyes and feel it burn - Now I see what I've gotta do

Gotta open your heart, dude!

## REPEAT CHORUS

Open your heart, it's gonna be all right!  
Open your heart,  
Open your heart,  
Open your heart!!

Oh....yeah!
