

# Selena Gomez, Do It

Sitting on my bed with just a t-shirt on  
Turning up the volume to my favorite song  
Boy I can't lie  
What we did last night  
You know it's constantly replaying, staying on my mind

I'll show you what I like boy boy boy,  
If you show me what you like boy boy boy,  
I'll show you what I like,  
Show you what I like like,  
If you show me what you like boy

If I had choice  
If I had my way  
Boy you know we'd do it every single day  
If I had a wish  
And If I had my way  
Boy you know we'd do it every single day

Damn!  
Wish I didn't feel so hypnotized,  
But When I look at you baby it's justified,  
So I take what I want,  
And give what I got,  
To help with all the rules that keep us civilized

I'll show you what I like boy boy boy,  
If you show me what you like boy boy boy,  
I'll show you what I like,  
Show you what I like like,  
If you show me what you like boy

If I had choice  
If I had my way  
Boy you know we'd do it every single day  
If I had a wish  
And If I had my way  
Boy you know we'd do it every single day

No where I'd rather be  
Than anywhere alone, just you and me  
I'll be too gentle, you'll be my Clyde  
We'll be together forever we'll ride  
I want you more and more  
You gotta take that and the day before  
No lie, no lie, no lie, no lie

If I had choice  
If I had my way  
Boy you know we'd do it every single day  
If I had a wish  
And If I had my way  
Boy you know we'd do it every single day

I'll show you what I like boy boy boy,  
If you show me what you like boy boy boy,  
I'll show you what I like,  
Show you what I like like,  
If you show me what you like boy
