

Selena Gomez, Lose You To Love Me

you promise the world
and i feel for it
I put you first
and you adored it
you set fires to my forest
and you let it burn
sang off key in my chorus
cause it wasn't yours

I saw the signs
and I ignored it
rose colored glasses
aa distorted
you set fire to my purpose
and I let it burn
you got off on the hurtin'
when it wasn't yours
yeah

we'd always go into it blindly
I needed to lose you to find me
this dancing was killing me softly
I needed to hate you to love me

to love love
to love love
to love love
I needed to lose you to love me
to love love
to love love
to love love
I needed to lose you to love me

i gave my all
and they all know it
you tore me down
and now it's showing
in 2 months you replaced us
like it was easy
made me think I deserved it
in the thick of healing

we'd always go into it blindly
I needed to lose you to find me
this dancing was killing me softly
I needed to hate you to love me

to love love
to love love
to love love
I needed to lose you to love me
to love love
to love love
to love love
I needed to lose you to love me

you promise the world
and i feel for it
I put you first
and you adored it
you set fires to my forest
and you let it burn
sang off key in my chorus

to love love
to love love
to love love
I needed to hate you to love me
to love love
to love love
to love love
I needed to lose you to love me
to love love
to love love
to love love

and now the chapter is closed
and done
and now it's goodbye
it's good bye for us
