

Selena Gomez, My Mind & Me

Wanna hear a part to my story
I tried to hide in the glory and sweep it under the table so you would never know
Sometimes I feel like an accident
People look when they're passing it
Never check on the passenger
They just want the free show

Yeah I'm constantly
Tryna fight something that my eyes can't see

My Mind & Me
We don't get along sometimes and it
Gets hard to breathe
But I wouldn't change my life
And all of the crashing and burning and breaking I know now
If somebody sees me like this then they won't feel alone now
My Mind & Me

It's hard to talk and feel heard
When you always feel like a burden
Don't wanna add to concern I know they already got
But if I pull back the curtain
Then maybe someone who's hurting will be a little more certain
They're not the only ones lost

Yeah I'm constantly
Tryna fight something that my eyes can't see

My Mind & Me
We don't get along sometimes and it
Gets hard to breathe
But I wouldn't change my life
And all of the crashing and burning and breaking I know now
If somebody sees me like this then they won't feel alone now
My Mind & Me

Ahhh Ahhh Ahhh
My Mind & Me
Ahhh Ahhh Ahhh
My Mind & Me
Ahhh Ahhh Ahhh
My Mind & Me
Ahhh Ahhh Ahhh
Oh, it's only my mind & me
My Mind & Me
