

Selena Gomez, New Classic

((Feat. Drew Seeley))

Ooooo

Oh Oh

Oh Yeah

Ever Try To Reach For Something

But Its Someone Else's Dream

Every Step That You Take Forward

It Takes You Right Back Where You Been

And Then When You Least Expect It

And You Tried About Everything

Somebody Hears Your Opinions

Somebody Cares What You See

You Woke Me Up

No Longer Tired

With You I Feel Inspired

You Help Me Find My Fire

You're The New Classic

You're The New PYT

Stands For Pay Young

Taking On The World From The Driver's Seat

You Look So Classic

Fantastic

When You're On That Floor

Bring The Beat Back Once More

Let Me See You Do That

Oh Trying To Do It Right

No Rehearsals

It's Your Life

If Your Doing This Crazy Dance

Cause Your Making These Crazy Friends

It's Just This Is Not a Test

You Put In Work To Be The Best (ohhh)

(ohhh) It's A Classic Take

On A Brand New Game

Before The Needle Drops

They're Gonna Know Your Name

When It Gets Old Don't Lose The Light

You're Cold I'll Warm You Up

(You Up) Your Fire Is Hot Enough (enough) Enough (enough)

You're The New Classic

You're The New PYT

Stands For Pay Young And

Trying Everything Just To Touch Your Dreams

You Look So Classic Fantastic

When You're On That Floor

Bring The Beat Back Once More (bring it back) (once more)

Let Me See You Do That

It's Become So Hard

For Me To Be Surprised

You're Bringing Back The Real Me

No Judgment In Your Eyes

Cause When I Dance With You

It's How I Speak The Truth

Just Classic When Me Met

Now You Make Me New

You're The New Classic

You're The New PYT

Cause You're Pay Young And

Taking On The World From The Drivers Seat

You Look So Classic

Fantastic

When You On That Floor

Bring The Beat Back Once More (bring the beat back once more)

You're The New Classic

You're The New PYT
