

Selena Gomez, Ring

you're all in your feelings baby
all into me
I am one in a billion baby
don't you agree?

obviously
you know I am aware of that
I am breaking hearts like a heartache
got him right where the karats at

wrapped round my finger like a
ring /3x
they just like puppets on a
string /3x
I put it down they call me up
they doing way too much
so I just let it
ring /3x

I received your message
all 23
you know I am Jordan whit it
G.O.A.T.

obviously you know I am aware of that
I am breaking hearts like a heart attack
I got 'em right where the karats at

wrapped round my finger like a
ring /3x
they just like puppets on a
string /3x
I put it down they call me up
they doing way too much
so I just let it
ring /3x

wrapped round my finger like a
ring /3x
they just like puppets on a
string /3x
I put it down they call me up
they doing way too much
so I just let it
ring /3x

Circling me they just like satellites
Circling me all day and every night
Circling me I am sure you sympathize

wrapped round my finger like a
ring /3x
they just like puppets on a
string /3x
I put it down they call me up
they doing way too much
so I just let it
ring /3x

wrapped round my finger like a
ring /3x
they just like puppets on a
string /3x
I put it down they call me up

they doing way too much
so I just let it
ring /3x
