

Selena Gomez, Rule The World

I told,I told ,I told myself again
I'll never running back on what i said
Trying not to run but you're so far away
So far away...
Listen to the conscience in my head
I'm conscious but I'm lonely halfway dead
Tired of the thing you never,you never said
You never said...

Our love was made to rule the world
You came and broke the perfect girl
Our love was made to rule the woorld
Our love was made to rule the world,
You left wanting what we were
Our love was made to rule the woorld

Forget forever,forget forever
Forget you ever knew my name,my name,my name,my name

I know,i know, i know we can't pretend that we never lovers in the end..
I've tired to tell myself that this pain would go away..
Just go away...

Our love was made to rule the world
You came and broke the perfect girl
Our love was made to rule the woorld
Our love was made to rule the world,
You left wanting what we were
Our love was made to rule the woorld

Forget forever,forget forever
Forget you ever knew my name,my name,my name,my name
Forget forever
Forget forever
