

# Selena Gomez, Wizards Of Waverly Place Theme

Well you know everything's gonna be a breeze  
At the end with no doubt just defy the means  
You can fix any problem with the slightest of ease  
Yes please  
When you never find it it'll go to your head  
When you write a report on a book you never read  
With the snap of your fingers you can make your bed  
That's what I said  
Everything is not what it seems  
When you can get all you wanted in your wildest dreams  
You might run into trouble if you go to extremes  
Because everything is not what it seems  
Everything is not what it seems  
When you can have all you want by the simplest of means  
Be careful not to mess with the balance of things  
Because everything is not... what it seems
