

# Selena, My Love

My love, don't throw away my love

You are to me my greatest fantasy  
night after night  
I wanted you to hold me tight  
I want to be with you  
you can make my dream come true  
only you can make my heart and soul brand new

My love, don't throw away my love  
my love, we can have an ever lasting love

I want to be all that you want me to be  
why can't you see just how much you mean to me?  
I want to be with you  
you can make my dream come true  
only you can make my heart and soul brand new

My love, don't throw away my love  
my love, we can have an ever lasting love
