

Semisonic, Bed

My little darling it's a crying shame
The way that you lead me on
And I've got nobody but myself to blame
Cause I've always just played along

Well show me a body that gets no love
And I'll show you a body that's way messed up
Well it seems like you're aware of the effect you have on my head

If you feel like I'm asking you for too much
We can keep in touch
And I'll find someone else to bed
Bed
Find some
Find someone else to bed

My little darling I'm a tangled mess
When you tease me the way you do
& what it would be like I can only guess
If you'd please me like I wanna please you

Well show me a friendship that's pure and chaste
And I'll show you an engine that's dying to race
Well the time has come for me to find
Another way to get my soul fed

I know we could be the sweetest friends
But if that's where it ends
Then I'll find someone else to bed
Bed
Find some
Find someone else to bed
Bed
Find some
Find someone else to bed

Well the time has come for me
To take care of myself instead
You know if we remain
On a spiritual plane I will go insane
Don't make me find someone else to bed
Bed
Find someone
Find someone else to bed
