

# Sepultura, Arise

Obscured by the sun  
Apocalyptic clash  
Cities fall in ruin  
Why must we die?

Obliteration of mankind  
Under a pale grey sky  
We shall arise...

I did nothing, saw nothing  
Terrorist confrontation  
Waiting for the end  
Wartime conspiracy

I see the world - old  
I see the world - dead

Victims of war, seeking some salvation  
Last wish, fatality  
I've no land, i'm from nowhere  
Ashes to ashes, dust to dust

Face the enemy  
Manic thoughts  
Religious intervention  
Problems remain
