## Sepultura, Arise

Obscured by the sun Apocalyptic clash Cities fall in ruin Why must we die?

Obliteration of mankind Under a pale grey sky We shall arise...

I did nothing, saw nothing Terrorist confrontation Waiting for the end Wartime conspiracy

I see the world - old I see the world - dead

Victims of war, seeking some salvation Last wish, fatality I've no land, i'm from nowhere Ashes to ashes, dust to dust

Face the enemy Manic thoughts Religious intervention Problems remain
