

# Sepultura, Drug Me [Jello Biafra]

I don't want to think, give me balls, go with my friends  
Can't come up with anything, my brain needs stimulation  
Drug me, drug me, drug me, drug me  
I'm so fucking tired, got it waiting for us, gotta stay  
TV and girls, third world, make more to store  
Drug me, drug me, drug me, look out  
Drug me, with natural vitamin C  
Drug me, with pharmaceutical speed  
Drug me, with your sleeping pills  
Drug me, with your crossword puzzles  
Drug me, with your magazines  
Drug me, with your fuck machines  
All fake, fuck it away  
Finally off to work, another potato-chip weekend  
Go away, go away, leave me alone, can't see myself  
Drug me, drug me, drug me, drug me
