all the years
all the nerve

I deserve
a paper prison
with thin white walls
brown upholstery amour all

(stop me, don't touch me
don't stop, cause i'm such a creep) x3
stop me, stop me, stop me, stop me

mine

mine (stretched out)

family business
nice and neat
like a cover on a toilet seat
you piss me off
and I piss you on
a waste ends before it's won

(stop me, don't touch me
don't stop, cause i'm such a creep) x3
stop me, stop me, stop me, stop me
