

# Sepultura, Slaves Of Pain

All Of Us Are Victims  
Confined By Enigmas  
Without Solution  
Your Frozen Thoughts Don't Let You Evolve  
A Prisoner Of Your Own Trap  
Slaves Of An Infinite Pain  
What Will Be The Limit?  
What Will Be The End?

Life Ends  
Feeling Death  
Slaves Of Pain

Life Ends  
Feeling Death  
Slaves Of Pain

Seeking New Paths  
Don't Be Tied To Your Mistakes  
Run Away From This  
Uncured Sickness  
Open Your Eyes  
Don't Lose Your Steps  
Liberty Is A Dream  
And It Is Also Real

To Die To Run Away  
To Forget What I've Been  
To Erase My Past  
To Kill My Guilt

Life Ends  
Feeling Death  
Slaves Of Pain
