

# Sepultura, Stronger Than Hate

I Shall Redeem Myself From  
The Clutches That Grasp At My Inner Self  
No Tomorrow Will Ease My Oppression  
My Streak Of Hate Leads My Way  
Look At Me  
My Feelings Turn  
Stronger Than Hate  
I Can't Decide On Which Way To Turn  
My Choices Are Few And Far Between  
Look At Me  
My Feelings Turn  
Stronger Than Hate  
I Can't Decide On Which Way To Turn  
My Choices Are Few And Far Between  
A Lifetime Of Remorse  
There's No Place That I've Ever Been  
I Stand Above Their Remains  
My Vengeance I Have Regained  
I Don't Know What Lies On The Floor  
I Won't Be Locked Up Anymore  
Standing Here I've Lost All Faith  
I Have No Social Equality  
To Live Again Would Be A Lie  
My Life Is Not Worth The Pain
