

# Sepultura, Vox Populi

No Soul Over Body  
No Body Without Soul  
No Brain, No Information  
No Vision, No Protection

No Church In Politics  
No Profit In Religion  
No Suffering Without Cost  
All I Believe Is Freedom

No Minds Without Solutions  
No Laws Without Our Vote  
No Lies In Conversation  
Handle Who You Provoked

Cannot Be - Cannot Feel  
Cannot Think - Cannot See  
Cannot Live In Dignity  
Our Life, Our Way

We Are Tired Of Being Denied  
We Are Sick Of Being Sick  
We Are Feeding All Our Anger  
We Are Tightening Up Our Fist

We Are Failing To Prevent  
Our Fate From Disillusion  
We Are Failing To Protect  
Our Lives From Full Destruction

We Are Bowing All Our Heads  
To Doubtful Leaderships  
We Are Moving All Our Trust  
To Judge What Is Unjust

Cannot Be - Cannot Feel  
Cannot Think - Cannot See  
Cannot Live In Dignity  
Our Life, Our Way

Exploitation, Segregation  
All Comes Crashing Down  
Exploitation, Segregation  
All That Is A Falling Nation

Cannot Be - Cannot Feel  
Cannot Think - Cannot See  
Cannot Live In Dignity  
Our Life, Our Way
