

# Serj Tankian, Lie Lie Lie

Lalalalalalalala lie lie lie  
Lalalalalalalala lie lie lie  
Lalalalalalalala lie lie lie  
Lalalalalalalala lie lie lie

My baby, my baby,  
Let me know  
because you love me, you love me  
Let me go  
And you're my lover, you pay me  
Twice my size  
And on your knees you lay  
In my thighs

Take my hand and let's end it all  
She broke her little bones  
On the boulders below  
Take my hand and let's end it all

My baby, my baby  
Let me go  
And if you love me, you love me  
Let me go  
Cause I'm your brother, your brother  
Have some pride  
And now you love me, you love me  
Then die tonight

Take my hand and let's end it all,  
She broke her little bones  
On the boulders below  
Take my hand and let's end it all  
Broke her little bones  
On the boulders below  
And while she fell I delightfully said

Lalalalalalalala lie lie lie  
Lalalalalalalala lie lie lie  
Lalalalalalalala lie lie lie  
Lalalalalalalala lie lie lie

She took my hand and I let her go  
She broke her little bones  
On the boulders below  
Took my hand and she ended it all  
Broke her little bones on the boulders below  
And while she fell, I smiled.

Lalalalalalalala lie lie lie  
Lalalalalalalala lie lie lie  
Lalalalalalalala lie lie lie  
Lalalalalalalala lie lie lie
