

Sesame Street, Five

Who says five friends can't have fun?
Who says five's not as good as one?
Who says, "Two is company; five's a mob"?
Gotta tell ya!
Someone who says five's too much should get a job
Playing basketball!

Who says five's not a real great time?

We think five is quite sublime.
See us walk!
And hear us talk!
We most emphatically gotta squawk
About bein' and feelin' alive ...
And five!
