

Sesame Street, In A Cabin In The Woods

In a cabin in the woods
A monster by the window stood
Saw a rabbit hopping by
Knockin' at the door
"Help me, help me, sir," he said,
"I ate the farmer's lettuce bed."
"Come on in," the monster cried,
"And sit down by the fire."

In a cabin in the woods

A monster by the window stood
Saw a farmer running by
Knockin' at the door
"My name" he said "is Farmer Lear
You've seen a rabbit go by here?"

(they interrupt the song, Rowlf suggests to have a happy ending, and they all live happily ever after)
