

# Sesame Street, Proud To Be A Cow

Sometimes when I'm in a mood  
I think of animals I might have been  
I could have been a wombat or a goose  
I could have been a monkey or a moose  
I could have been a dragon  
Or a horse that pulls a wagon but I'm not sure what  
Let others be a lion or a lamb  
I'm proud to be the creature that I am

I'm proud proud proud to be a cow  
I'm proud proud proud to be a cow

My skin is soft as silk  
I give a lot of milk  
I never pull a wagon or a plow  
I'm proud proud proud to be a cow  
I'm glad that I say moo and not meow  
My eyes are soft and dreamy  
My butter's rich and creamy  
I'm proud proud proud to be a cow

I could have been a butterfly they're pretty  
I could have been a cockroach in the city  
I could have been an.. I know!  
I could have been a rhino  
But I'm not  
So what?  
I'm proud proud proud to be a cow  
I'm proud proud proud to be a cow

I've horns upon my head  
A meadow is my bed  
I think that ev'ry cow should take a bow  
I'm proud proud proud to be a cow  
I'm glad that I say moo and not bow-wow  
I'm proud I have an udder like my father, no, my mudder  
I'm proud proud proud to be a cow  
I'm proud proud proud to be a cow
