## Seven Mary Three, In-Between

Hey man: you're so complicated and mean maybe your system needs adjustment she is a famous people collector I'm juggling J-O-B the Judger

Maybe the words don't mean a thing they never fill the dead man's shoes who killed the culture-hero trip? if it was me then it was you

You can be intimidating when people think you're complicated how could yoube so in-between? what they want and what you need

"Man, you're so complicated and mean" the young mustafah cleaner said "Don't waste your mojo on a curse politic your angry reason out of bed"

And if your words mean anything make them a positive foundation back it up with what you do wring the love out of frustration

You can be intimidated when people think you're complicated how could you be so in-between? what they want and what you need
