

Sexy Suicide, Shame Of Device

She wants
She needs
She wants and
She believes

She wants You to stop, stop harmony
She needs You to rest, rest carefully
She wants You,
You better caress her
You better harras her
You better caress her soul...

She lives in danger zone
This heart will never feel again
You know she walks alone
Her tears are falling with the rain...

She wants You to stop, stop harmony
She needs You to rest, rest carefully
She wants You,
You better caress her
You better harras her
You better caress her soul...

You don't realize that
She just wanna fight back
She used to be master of rematch
Forget about loosing
She always refuses
Even if she's longing for Your touch

You don't realize that
She just want to fight back
She used to be master of rematch
Forget about loosing
She always refuses
She just wanna...
She won't be satisfied

She wants You to stop, stop harmony
She needs You to rest, rest carefully
She wants You,
You better caress her
You better harras her
You better caress her soul...
