

# Shaaman, Born To Be

I looked inside me  
To find myself  
To purify me  
To cease the thing

Across the river  
A life goes by  
Look inside the mirror  
And you will find out

Solitude I was born  
Terrify me  
Fail of mystic broke in front of my eyes

I walked in shadows  
I drown in rain  
I met the desert  
'Cause I'm born again

Across the river  
A life goes by  
Look inside the mirror  
And you will find out

Solitude I was born  
Crucify me  
Wearing the crowd of thoughts I am

Freedom!  
Born to be a man  
Emptiness!  
Made me understand

Oh! Let me hear the deep within

Oh again freedom!  
Born to be the man  
Deadliness!  
Crush the way deserve

Trough one of the deep within  
Shy the stream without a lie

Raft in frozen lands of life  
Seems the song of what we are
