

Shadok, Walking away

I will find the light
To keep you on mine
I'm sure

Circle around
.. of sun
Undone

It's easy not to try
Walking away
From you
Than to stay
Trembling in my ?

I walk to watch the dore
You ask me if I
And I am

?
Stragglng every time
I can

It's easy not to try
Walking away
From you
Than to stay
Trembling in my ?
