

Shadow, Looking For Horn

A young man Asked for my opinion About a lady He want to marry You working? No You joking? No

You looking for horn, plenty, plenty horn, boy You looking for horn, you going to get horn, boy Why

You think it's so the thing does work

You think it's so I wish you luck Without money to buy honey You're headin' for misery She want ha

Somebody will horn you You better believe it Somebody will horn you I hope you can take it, partne

Young fella I think you should consider Oh yeah Employment Before enjoyment You learn trade? No

You looking for horn...

You must assume she want perfume and good things to consume You say she nice But take advic

Somebody will horn you...

Godfather I must marry Rosita She's so pretty She looks so sexy You working? No You joking? No

You looking for horn...

Friday evening people passing with box of fried chicken She watching you in your old shoe She fee
