

# Shai, If I Ever Fall In Love (Remix)

[Spoken:]

Shai... coming right back at ya baby

Part 2

Remix... Ooooooh

If I ever fall in love again  
the next time the lady will be  
just like you

[Verse 1:]

The very first time  
that I saw your brown eyes  
Your lips said "hello" and I said "hi"  
I knew right then you were the one  
But I was caught up  
in physical attraction  
But to my satisfaction  
baby you were more than just a friend

[Chorus:]

And if I ever fall in love again  
I will be sure that the lady is  
a friend  
and if i ever fall  
in love so true  
I will be sure that  
the lady's just like you... ohhh

[Garfield:]

Yea, Baby yea,  
my, my, my, my, my, my  
I swear the next time she'll be my friend

[Verse 2:]

If I say that I can be your one and only  
Promise that you never leave me lonely  
I just wanna be the one you need (oh baby)  
I just wanna be the one to serve you  
Sometimes I feel as if I don't deserve you  
I'll cherish every moment that we share

[Chorus]

[Spoken:]

Hey baby I made a Promise  
The next time I fell in love,  
That my love would also be my friend  
Somebody who would be there  
thru the thick and thin(Ooooooh)  
To love me, to hold me  
Comfort me, somebody who could be  
there all thru the night  
Somebody just like you

[bridge:]

My Friend...  
Very next time she will be my friend  
someone who I can believe in...

[chorus: till end]
