Shakira, Animal City

La la la la la lei La la lei La la la la la la lei La la lei

Why do all my friends Now want to be your lovers? Your family got bigger When they thought you were rich

And now like maniacs They scratch your back Even when it doesn't itch

I want to figure it all
I want to figure it all out
I want to save you from
Save you from all the fame
Save you from the things that cause us pain

'Cause it's an animal city It's a cannibal world So be obedient, don't argue Some are ready to fight you

It's an animal city It's a cannibal world So be obedient, don't argue Some are ready to fight you My love

They believe you now Have everything you wanted And once you have become a star You got no right to bitch

But someday when you fail They'll put you on sale And buy you by the inch

But you're the real deal And "real" is your middle name You know sometimes I feel I gotta earn every breath you take Baby, never mind the rules we break

'Cause it's an animal city It's a cannibal world So be obedient, don't argue Some are ready to bite you

It's an animal city It's a cannibal world So be obedient, don't argue Some are ready rip you right off

With you I feel safe
There's nothing to fear from us
Away from the fangs
The fangs of the world
I may be a coward but you are brave
And nothing seems so dangerous

'Cause it's an animal city

It's a cannibal world So be obedient, don't argue Some are ready to bite you

It's an animal city It's a cannibal world So be obedient, don't argue Some are ready rip you right off

Cannibal world Cannibal world Cannibal world Cannibal world

So be obedient, don't argue Some are ready to bite you My love
