Shakira, DON'T WAIT UP

Do you remember how we lit up the room? And how you felt before you met all my different moods? But now I drive you mad when I hit you with the truth

Don't let your mind think It's someone else someone else i need to do semething for myslef

don't wait up
don't wait up up up up up
don't wait up
don't wait up
don't be afraid if it gets late
you'll survive
it's just one night
don't wait up
don't wait up
don't wait up up up up

why won't you put down your phone and loo me in the eye? Got all dressed up for you But you seem so occupied Maybe space is al lit takes It's time to fix us

Don't let your mind think It's someone else someone else i need to do semething for myslef

don't wait up
don't wait up up up up up
don't wait up
don't wait up
don't be afraid if it gets late
you'll survive
it's just one night
don't wait up
don't wait up
don't wait up up up up

first i kissed you then i got mad at you cause i wish i'd be happy without you if i ditch you then mayve you would understand then mayve you would understand

i need to do semething for myslef

don't wait up
don't wait up up up up up
don't wait up
don't wait up
don't be afraid if it gets late
you'll survive
it's just one night
don't wait up
don't wait up
up up up
