

# Shakira, Empire

Take off all of your skin  
I'm brave when you are free  
Shake off all of your sins  
Then give them to me  
Closer, let back in  
I wanna? be yours, wanna be your hero  
And my heart beats?

Like the empire of the world unite  
We are alive  
And the stars make love to the Universe  
You're my wildfire every single night  
We are alive  
And the stars make love to the Universe  
And you touch me  
And I'm like... and I'm like... and I'm like  
Hooooooooo  
And I'm like Hooooooooo  
And I'm like Hooooooooo

I will follow you down wherever you go  
I'm baby I'm bound to you and do you know  
Closer, pull me in tight  
I wanna? be yours, wanna be your hero  
And my heart beats?

Like the empire of the world unite  
We are alive  
And the stars make love to the Universe  
You're my wildfire every single night  
We are alive  
And the stars make love to the Universe  
And you touch me  
And I'm like... and I'm like... and I'm like  
Hooooooooo  
And I'm like Hooooooooo  
And I'm like Hooooooooo

I'm just gonna? raise my head  
Welcome to the final edge  
And I'm gonna fall  
I'm just gonna? raise my head  
And hold you close

Like the empire of the world unite  
We are alive  
And the stars make love to the Universe  
You're my wildfire every single night  
We are alive  
And the stars make love to the Universe  
And you touch me  
And I'm like... and I'm like... and I'm like  
Hooooooooo  
And I'm like Hooooooooo  
And I'm like Hooooooooo  
And I'm like Hooooooooo
