Shakira, Eyes Like Yours

Oh, you know I have seen A sky without sun A man with no nation Saints, captive in chains A song with no name For lack of imagination Ya he... And I have seen Darker than ebony

Ya he Ya he Ya la he

And now it seems, that I Without your eyes could never be

My one desire, all I aspire Is in your eyes forever to live Traveled all over the seven oceans There is nothing that I wouldn't give Came from Bahrein, got to Beirut Looking for someone comparing to you Tearing down windows and doors And I could not find eyes like yours

Came from Bahrein, got to Beirut Looking for someone comparing to you Tearing down windows and doors And I could not find eyes like yours

Oh, You know I seen A woman of means In rags and begging for pleasure Crossed a river of salt Just after I rode A ship that's sunk in the desert

Ya he Ya he Ya la he

And I have seen Darker than ebony

Ya he Ya he Ya la he

And now it seems, that I Without your eyes could never be

My one desire, all I aspire Is in your eyes forever to live Traveled all over the seven oceans There is nothing that I wouldn't give Came from Bahrein, got to Beirut Looking for someone comparing to you Tearing down windows and doors And I could not find eyes like yours

Came from Bahrein, got to Beirut Looking for someone comparing to you Tearing down windows and doors And I could not find eyes like yours

rabboussamai fikarrajaii fi ainaiha aralhayati ati ilaika min haza Ikaaouni arjouka labbi labbi nidai Came from Bahrein, got to Beirut Looking for someone comparing to you Tearing down windows and doors And I could not find eyes like yours
