

# Shakira, Home ain't where his heart is anymore

He knew how to reach me deep inside  
And he found a part of me I could not hide  
And we'd walk and talk and touch tenderly  
Then he'd lay me down and make love to me  
We built a love so strong it couldn't break  
There was not a road we were afraid to take  
And we'd kiss all the way from Arkansas to Rome  
Cause in each other's arms we were home sweet home  
But he don't feel the same since our lives became  
Years of bills, babies, and chains.

Chorus:

Home ain't where his heart is anymore  
He may hang his hat behind our bedroom door  
But he don't lay his head down to love me like  
before

Home ain't where his heart is anymore.  
If foundations made of stone can turn to dust  
Then the hardest hearts of steel can turn to rust  
If he could only find that feeling once again  
If we could only change the way the story ends  
And he may still come home, but I live here alone  
The love that built these walls is gone.

Chorus:

Home ain't where his heart is anymore  
He may hang his hat behind our bedroom door  
But he don't lay his head down to love me like  
before  
Home ain't where his heart is anymore
