

Shakira, Knock On My Door (Pepsi - English - Pic

I gonna obey all your wishes
As if they were orders
I gonna dye your body in kisses
While we're growing older
I'll be there to beat your fears
In all the 365 days a year
So this is what I say

Chorus:

Knock on my door
You know I'll be in town
Come ask for more
Don't let me down
What is off, what is on
What is left, what is gone
I'm gonna give it all for you baby
you can consider it done
I'm gonna live all my mondays
Like the sunniest sundays
I'm gonna go thru life every moment
Thinking of you always
And again we'll beat our fears
There's only three 365 days a year
so this is what I say

Chorus:

Knock on my door
Knock on my door
Don't let me down
You know I'll be in town
You know I'll be in town
Don't let me down, down,
Don't, don't, don't, don't,
Don't, don't, don't
You know I'll be in town
You know I'll be in town
You know I'll be in town...
