

Shakira, Like A Prayer

Life is a mystery everyone must stand alone
I hear you call my name & it feels like home...
When you call my name it's like a little prayer
I'm down on my knees I wanna take you there
In the midnight hour I can feel your power
Just like a prayer I wanna take you there
I hear your voice, it's like an angel sighing
I have no choice I hear your voice, feels like flying
I close my eyes, hold on I think im falling
out of the sky I close my eyes HEAVEN HELP ME!
When you call my name it's like a little prayer
I'm down on my knees I wanna take you there
In the midnight hour I can feel your power
Just like a prayer I wanna take you there
It's like a dream, no end and no beginning
It's like a dream your here with me
Let the choir sing
When you call my name it's like a little prayer
I'm down on my knees I wanna take you there
In the midnight hour I can feel your power
Just like a prayer I wanna take you there
Life is a mystery everyone must stand alone
I hear you call my name
and it feels like home
Just like a prayer I wanna take you there
just like a muse to me you are a mystery
just like a dream you are not what you seem
just like a prayer no choice your voice can take me there
life is a mystery everyone must stand alone
I hear you call my name
and it feels like home
