

Shakira, She Wolf

s.o.s. she's in disguise
s.o.s. she's in disguise
there's a she wolf in disguise
coming out /3x

a domesticated girl that's all you ask of me
darling, it's no joke
this is lacantrophy
moon's awake now, whit eyes wide open
my body is craving
so feed the hungry

I've been devoting myself yo you
Monday to Monday
and Friday to Friday
not getting enough retribution
or decent incentives to keep me at it
starting fto feel just a little abused
like a coffee machine in an office
so I am gonna go somewhere closer
to get me a lover ad tell you about it

there's a she wolf in the closet
open up and set it free
there's a she wolf in the closet
let it out so it can breathe
