

# Shakira, Te necesito (english)

It's the rain of everyday  
That has augmented it's level  
And music doesn't have the same  
Effect that it once had.  
Maybe I've lived too much  
In too little and too short a time...  
I don't even know what language I speak...  
Nor which candles I carry within  
This burial.  
I feel that I do longer have the strengths  
To leap and reach the sun...  
And the harder I try...  
I can't even hear my own voice.  
I don't know if I've lived then thousand days...  
Or a day ten thousand times.  
And I add you to my story...  
Wanting to change all losses  
For gains.  
Chorus:  
I need you, I need you my love...  
Wherever you are...  
I lack your warmth.  
I need you, I need you my love..  
Because you'er a part of me  
I need you here...  
Because I don't know how to live without you....  
I have yet to learn....  
And I find myself lost,  
Like a needle in a haystack.  
Like shifting sands...  
I submerge myself...  
In my loneliness.  
I don't know if I've lived  
Ten thousand days  
Or one day ten thousand times.  
And I add you to my story...  
Wanting to change the losses  
To gains  
Chorus
