

Shakira, You're The One I Need

So I find the reason to shave my legs
each single morning
so I can all summer friday nights
to take me dancing and then
to church in sundays
to plant my dreams
and some day think of kids
or maybe just to save a little money
you're the one I need
the way back home is always long
but if you're close to me I'm holding on
you're the one I need
my real life has just began
'cause there's nothing like your smile
made of sad
in a world full of strangers
you're the one I know
