

# Shakra, Out In The Rain

Night after night I've been losing sleep  
Lying awake in the dark  
How come a heartache can cut so deep  
Tearing my whole world apart

Whatever I do, wherever I go  
I can't run from the demons inside

WHEN THE PARTY IS OVER I'M OUT IN THE RAIN  
WITH A HANDFUL OF DREAMS AND A WHOLE LOT OF PAIN  
ALWAYS LOOKING FOR SOMETHING SOMEWHERE IN VAIN  
AND THE MEMORIES OF LOVE ARE HAUNTING ME AGAIN

Where is the light that will guide my way  
Leading me home through the night  
Where is the star that will shine on me  
Gentle and friendly and bright

Whatever I do, wherever I go  
I can't run from the shadows inside

WHEN THE PARTY IS OVER I'M OUT IN THE RAIN  
WITH A HANDFUL OF DREAMS AND A WHOLE LOT OF PAIN  
ALWAYS LOOKING FOR SOMETHING SOMEWHERE IN VAIN  
AND THE MEMORIES OF LOVE ARE HAUNTING ME AGAIN

Whatever I do, wherever I go  
That ol' feeling will always be there  
So I just carry on - turn my face to the sun  
Till I find myself again in the rain

Out in the rain again

When the party is over I'm out in the rain  
With a handful of dreams and a whole lot of pain  
Always looking for something somewhere in vain  
And the memories of love are haunting me again
