

Shampoo, Paydirt

You May Not Like It But You Soon Will
And If It Hurts, Then I'll Do It More
Just Say Nothing Leave It All To Me
Give It All You Got Baby

Chorus

And It's So For You Know Yeah
Yeah You Know So For You Know Baby
Let's Get Back Love
Back To The Paydirt Oh yeah
Yeah Make 'Em Up Of All Stories Now Is
This How You Want It Is This How You Need It
You May Not Like It
But I'll Do It Anyway Baby, It's Just My Way...

Chorus x1

Back To The Paydirt...
