

Shane Minor, Change Your Mind

(Shane Minor/Mark Spiro/Dann Huff)

From the minute you were gone
'Til this moment here tonight
It's clear to see that all I need
Is you in my life
'Cause the road that I've been on
Left you waiting for so long
It'll surely take a million prayers
To right what I've done wrong
It took a miracle to change
The water into wine
It'll take another just to change your mind

Change your mind, Change your mind
If it takes my own two hands I'll turn back time
I don't know how
But someday I hope I'll find
The way back to your heart
To change your mind

So tonight I'll go to sleep
And dream that dream of you
But the morning will surely come
And bring me the truth
So let the rivers fail to run
Let every star fall from the sky
Let the mountains crumble to the ground
'Til you're back in my life
It took a miracle to change
The water into wine
It'll take another just to change your mind

Change your mind, Change your mind
If it takes my own two hands I'll turn back time
I don't know how
But someday I hope I'll find
The way back to your heart
To change your mind

I don't know how
But someday I hope to find
The way back to your heart
Doesn't matter where you are
I'll find a way back to your heart
To change your mind
