

# Shangri-Las, Leader Of The Pack

Is she really going out with him?  
Well there she is, lets ask her  
Betty, is that Jimmy's ring your wearing? mmhumm  
Gee it must be great riding with him,  
is he picking you up after school today? uh-uh  
by the way, where'd you meet him?

I met him at the candy store  
He turned around and smiled at me you get the picture?  
Yes we see  
Thats when I fell for  
The leader of the pack

My folks were always putting him down...down, down  
They say he came from the wrong side of town  
Whatcha mean when they say he came from the wrong side of town  
They told me he was bad  
But I knew he was sad  
Thats why I fell for  
The leader of the pack

One day my dad said find someone new  
I had to tell my jimmy we're through  
whatcha mean when you say you had to go find somebody new?  
He stood there and asked me why  
But all I could do was cry  
I'm sorry I hurt you  
The leader of the pack

(spoken)  
He sorta smiled, and kissed me goodbye  
the tears were beginning to show,  
as he drove away on that rainy night, I begged him to go slow.  
whether he heard, I'll never know  
look out look out look out!

I felt so helpless what could I do  
Remembering all the things we've been thru  
In school they all stop and stare  
I can't hide my tears but I dont care  
I'll never forget him the leader of the pack

Gone, the leader of the pack and now he's gone.
