

Shanika Anderson, Praside Fest

We've come to lift our hands
To sing and do our dance
We've come to rejoice in the Lord
To praise Him for what He's done
And for all the victories won
So join in and give Him the praise

It's a praise fest and we have come to celebrate
It's a praise let's get in one accord

It's a praise fest stand on your feet and worship Jesus
It's a praise fest come on let's praise the Lord

Clap your hands
Stomp your feet
It's a praise fest
Join in with me

It's a praise fest
Come on let's praise the Lord
